An average year with the first half better than the second. This year indicates major changes in the work sphere and you may change your business or profession. You will be mentally tense throughout the year. Eligible Cancer natives will get married this year. The whole year you'll be dealing with family and professional problems at the same time. And being flexible you'll succeed in combining both activities.

Cancer 2012 Family Horoscope

Mental tension and blood pressure related problems surface. This is due to the irregular habits that you have cultivated last year. Health will be better July onwards however emotional anxiety, stress and insomnia cannot be ruled out. Differences with family members and soul mate will persist.

Cancer 2012 Health Horoscope

In 2012 the energy level is quite low, therefore it is recommended to lead healthy life and to take every possible care of yourself

Cancer 2012 Love Horoscope

This year introduces great changes not only in business affairs, but in private life as well. Many Cancers will start to build their own home or will make it more spacious and comfortable. Unstable unions will continue to fade, and in this case real estate operations will be connected with divorce and separation of conflicting parties. Second half of the year will bring many problems with children that can last for a long time. It is possible that children will need not only moral support, but also financial help. Second half of the year is not a happy time for lovers. The situation will get out of control in November and December, when the most violent conflicts will break out, after which it'll be difficult to get together without painful resentment and accusations. So you should be prudent if there is a desire to remain together

Cancer 2012 Finance Horoscope

Financial prospects improve march onwards. Be careful in handing accounts and finance in May, June and July. In the second half of the year major expenditure is indicated which may be to diversify or improve existing business or starting a new venture. April, second half of May, September and November will be good for finance and purchase of luxury items.

Cancer 2012 Business Horoscope

The changes in professional sphere, began in the past, will proceed. Businessmen will expand the business, involving their partners or close acquaintances. In the first half of the year you'll probably purchase a new office or re-equip old premises. A new business line will face a lot of difficulties, and won't probably develop as fast as it was supposed. This year serious financial disagreements with partners, which may put business to a deadlock. The second half of the year is especially unfavorable: in October and November Cancer should consider relations with a group of friends and adherents, and to clear up his professional and financial situations. It is possible that this will result in separation with some people. High protectors may let the Cancer down, and that's why it is necessary to rely only on your own power and opportunities. It is advised to be prudent in communications; you can't trust people that are near. Don't mix friendship and business affairs as you run a risk of remaining without both money and friends.

Cancer 2012 Money Horoscope

Financially the first half of the year is quite favorable. This year some successful real estate operations are indicated; it is possible to get a credit or some sponsor's help. The second half of the year is a more agitating time, however. Large financial losses and conflicts connected with money or other assets may occur. An appearance of restrictive Saturn since August, in financial sector of the sky will require prudence and caution. You may be anxious in the last quarter for you can lose control over finance because of risky and adventurous activities.
